

The image shows a section of a building's exterior. At the top, there are three windows with white frames and red shutters. Below them is a long, light-colored sign with a dark border containing the text "Mare e Monti" in a black, gothic-style font. Underneath the sign is a dark grey horizontal ledge. Below the ledge are three large, rectangular windows with dark red frames. The windows are covered with a thin layer of clear plastic. Between the windows, there are two black, ornate wall sconces. To the right of the third window, there is a small, dark red rectangular box mounted on the wall. The building's facade is a light beige or cream color. At the bottom of the image, there is a cobblestone sidewalk.

Mare e Monti
